

December 26, 2020

Dear Family Members, Loved Ones, and Team Members,

This letter is to inform you that Bellaire at Devonshire continues to conduct COVID-19 testing for all team members twice a week per Executive Order No. 27-20 by Governor Justice. Team members will receive one antigen test and one PCR test weekly. Residents will continue to receive one PCR test weekly.

Team members were antigen tested on Monday, December 21st. Results from this testing indicate that there were no new positive cases. Residents and team members received the PCR test on Wednesday, December 23rd. Results from the PCR testing were received today Saturday, December 26th with no new positive resident or team member cases. There are currently 2 active cases-two team members. The next round of antigen testing for team members is scheduled for Monday, December 28th. Residents and team members will receive one PCR test on Wednesday, December 30th. We will keep you informed of additional test results after each testing date.

Our community completed the first round of COVID-19 vaccinations December 16th. Residents and team members who signed up received their first dose of the Pfizer vaccination. Our next scheduled COVID-19 vaccination clinic is tentatively January 8th, 2021. Residents and team members will receive the second dose of the Pfizer vaccination then. Any additional Residents or team members who would like to receive the vaccination may sign up and receive the first dose in this 2nd clinic. **If you desire to receive the first dose of the COVID -19 vaccination, please call the Community and speak with our Concierge to schedule your time for vaccination.**

We continue to take all the precautions recommended by the Center for Disease Control, the WV Department of Health & Human Resources, and the Putnam County Health Department. At this point, we must continue to enforce the “no visitation” rule. We are committed to protecting the health and safety of our residents and team members. We understand the emotional impact that separation from loved ones can cause; however, we feel keeping these essential measures in place will continue to keep our residents safe with the hope to return to a normal routine soon.

Protocol for our community is still in place and we will continue to practice these safety measures:

1. Social distancing
2. All team members are wearing personal protective equipment
3. Screening process for all team members coming to work
4. No community dining
6. Activities department continuing one on one visits
7. Covid-19 testing for residents and team members twice weekly.

We do recognize that family contact and involvement are essential during these times, and we will continue to do everything we can to keep our families and residents engaged. Please let us know if you would like to schedule a FaceTime visit or Go to Meeting. To do so, please contact the Concierge at 304-760-5290 or by email at concierge@bellaireatdevonshire.com.

A special thank you to all that have supported our community during this current time. By partnering together, we will be able to look back at COVID-19 as a distant memory. I hope everyone had a Merry Christmas and I wish everyone a safe and Happy New Year. If you have any questions at all, we are here for you. Please call us at 304-760-5290.

Sincerely,

Jo Clare Hanshaw, Executive Director
