

April 23, 2021

Dear Residents, Family Members, Loved Ones, and Team Members,

A vaccination maintenance clinic is scheduled for April 30th for the second dose of the COVID vaccination for those previously vaccinated on March 31st. Just a friendly reminder that the vaccination maintenance clinic is for our Residents, our associates, and their family members. Please contact the Community's Concierge at 304-760-5290 if you or a loved one would like to sign up to be vaccinated.

I am happy to announce that our volunteers are being contacted to return to Resident Activities. Pastor Chris will be returning for church service on Mondays in May and bible study with Judi is scheduled for 5/8 and 5/22 at 10am.

Bellaire at Devonshire continues to have scheduled Resident visitation. This is a friendly reminder to follow our visitation guidelines. It is important to limit movement within the Community. During your scheduled visit please move directly between the lobby and the Resident's apartment. Do not linger in common areas. Please be diligent in wearing your mask during visitation. For your convenience at the sign-in Kiosk we have personal protective kits that include masks, hand wipes, and hand sanitizer. Per the Centers for Disease Control (CDC) guidance regardless of vaccination status we continue to require mask usage, hand hygiene, and six-foot social distancing. Our top priority remains the safety and well-being of our Residents while continuing to have group dining, group activities, and visitation.

Please contact us at 304-760-5290 to schedule a Resident visit or if you need additional information. As always please follow our Facebook page and subscribe to our text news blast by texting "Devonshire" to 855-906-2913. We appreciate your on-going support.

When we are Caring with H.E.A.R.T.[™], We are All Family!

Sincerely,

Jo Clare Hanshew, Executive Director
