

July 26, 2021

Dear Residents, Family Members, Loved Ones, and Team Members,

I am happy to report that our Community remains Covid free. Our Resident Covid vaccination percentage is 96%. Our Community completed a COVID vaccination clinic, July 8<sup>th</sup>. We continue to offer on-going vaccination clinics to our Residents, family members, and team members as needed. We must have 6 people signed up to receive the Pfizer vaccination or 10 people to receive the Moderna vaccination. Please contact our Concierge to sign up.

There have been no changes in our visitation policy. Below are some friendly reminders to our visitation guidelines.

- Visitation hours are 9am-6pm by appointment only.
- **Appointments must be made by calling the Concierge at the Community's main telephone number, 304-760-5290**
- Visits are in hour increments. Visitation slots will be on the hour, Sunday-Saturday 9:00am-6:00pm.
- Hand sanitizer and masks are available at the concierge desk.
- Consecutive hour visit appointments may not be reserved. If, however, upon your arrival for your visit the following hour slot is available you may extend your visit. Please see the concierge desk for details when you arrive.
- **In apartment visits will be limited to three visitors at a time.**
- **Outdoor patio visits may have 4 visitors at a time.**
- Utilization of the private dining room or the Putnam Room is by reservation only. Call the concierge desk to reserve. Visitor meals are \$5.00 each and can be obtained at the Concierge desk.
- When both visitors and residents are fully vaccinated, masks can be removed and close contact can occur while in apartments or designated visiting areas.
- **Vaccinated and unvaccinated visitors are expected to wear a mask and practice social distancing while moving to and from visits within the community.**
- All visitors must continue to check in using the Accushield kiosk and complete the COVID-19 screening, including a temperature check.
- All vaccinated and unvaccinated team members are required to wear masks inside the Community.
- **Any exception to the above rules must be pre-approved by the Executive Director.**

Our Community is working on updating our Veteran's Wall. If your Resident was in the military, we would love for families to bring in a 5x7 picture so we can display it on our Wall of Honor in celebration of his or her service. Please drop the picture at the Concierge desk so our Activity Department can place your loved one's military picture on display.

In addition, we are calling all Families of Memory Care Residents. We need your help. We need items to update each Resident's Shadow Box. Creating shadow boxes to house warm memories can help recall events and people. These memories can stimulate the Resident, prompting conversation with family and friends. Shadow boxes can also help our Residents find and identify their apartments. Please bring in these personal items labeled in a gallon zip lock bag with the Resident name to the Concierge when visiting so our Activity Department can specialize each shadow box

specific to our Residents. The space the items need to be able to fit in are 3 inches deep and the Shadow box is 14 inches wide.

As always please follow our Facebook page and subscribe to our text news blast by texting "Devonshire" to 855-906-2913. We appreciate your on-going support.

When we are Caring with H.E.A.R.T.™, We are All Family!

Sincerely,

Jo Clare Hanshew, NHA  
Executive Director  
Bellaire at Devonshire
