

October 15, 2021

Dear Residents, Family Members, Loved Ones, and Team Members,

I am happy to report that Bellaire at Devonshire remains COVID-19 outbreak free. Our community continues to require on-going COVID testing for unvaccinated team members twice per week per state requirements. In addition, any team member or Resident displaying any COVID symptoms is immediately tested. We continue to follow our COVID-19 Preparedness and Response Plan.

Visitation is still by appointment only. Please call ahead and schedule your 1 hour visit with the Concierge at the front desk. Covid screening is required upon entrance to the Community and masks are required for visitation. At the current time visitors are not permitted to attend group Resident activities or the Resident Dining Room. Visitation is limited to the Resident apartment or outdoors. Updates to the visitation guidelines will continue to be provided as changes are made. It is imperative that we work together to keep our Residents healthy and safe.

"Caring with H.E.A.R.T." is our guiding principle and each letter in H.E.A.R.T. represents one of our Core Values. The "R" represents "Residents First" and is a reminder that our primary mission is to care for and serve the residents we love dearly. In holding true to our commitment to putting our residents first and to ensuring the safety of our team members, loved ones and visitors, our community will require all team members receive the COVID-19 vaccine by December 1, 2021, as a condition of employment.

The data has proven that people who are vaccinated are much less likely to contract COVID-19 and when they do, experience significantly less severe symptoms than those who are unvaccinated. While nearly all our residents are vaccinated, vaccinated seniors are still the most at-risk of having significant symptoms and hospitalizations.

We are proud to join the growing list of senior living and health care providers requiring COVID-19 vaccinations for team members. United, we can win this fight against COVID-19.

As always please follow our Facebook page and subscribe to our text news blast by texting "Devonshire" to 855-906-2913. We appreciate your on-going support.

When we are Caring with H.E.A.R.T.[™], We are All Family!

Sincerely,

Jo Clare Hanshew, NHA
Executive Director
Bellaire at Devonshire
