Dear Residents, Families, and Team Members of Bellaire at Devonshire,

Bellaire at Devonshire continues to be in outbreak status with confirmed team and resident cases of COVID-19 within our community. We continue to follow our COVID-19 Preparedness and Response Plan.

Communal dining, group activities, resident outings continue to be suspended at this time. We are following our COVID-19 policy manual and directives from our local health department. The safety of our residents and team members is our top priority

I am excited to announce changes in our administrative team. Jo Clare Hanshew, Executive Director has been promoted to the Regional Director of Operations for Park Street Senior Living effective Monday, January 31, 2022. We wish her the best in her future endeavors. Effective that same day I, Tyler Holsclaw, will be promoted from associated executive director to the executive director. I am a WVU graduate and bring six years of business management to this position, including operations, people management, and senior housing. I am excited to be taking on this new opportunity and looking forward to continuing to care with H.E.A.R.T. for all team members, residents, and families. Alana Nichols will be promoted to business office manager. She brings a familiar face to serve the community in this important role and is a new graduate from Marshall University. Alana and I will continue to serve the community before, during, and after our management change over to English Meadows. My goal during this change is to provide consistency and leadership that you have come accustomed to.

Thank you for your continued love and support. I will continue to keep you informed of any changes to our COVID-19 community status and changes week to week.
